BRDC Classic 2027

First Timers Guide to Car Club Displays

This guide is designed for car clubs who would like to attend the BRDC Classic.

Fees – there is no stand/registration fee for the car club.

Registration – register the club's attendance online. Deadline to register is Friday 30 April 2027.

Club criteria – the club must meet the following eligibility criteria to attend the event:

- the majority of your members' cars are a minimum of 20 years old and/or of special interest.
- your club has been established for 5 years or more.
- your club has an online presence.

Car club co-ordinator – a club representative will need to be responsible for the club's attendance.

2-4-1 package price – a car club package includes 2 x adult general admission tickets, and 1 x vehicle display pass. This offer is exclusive to car clubs. If members buy a car club package, they get 2 adult general admission tickets for the price of 1 if bringing a display vehicle. The vehicle display pass allows exclusive access to display a classic car inside the event. Members purchase packages online using a unique code provided to the club co-ordinator upon registration.

There are three pricing periods: Early Bird, Advance and On the Day. To encourage early booking and allow for advanced planning, we offer more cost-effective rates during the earlier pricing periods. The dates and prices for each pricing period are detailed in the table below. There is no extra booking/handling fee on top of the package price.
