In accepting any pass which enables me to move outside the approved enclosures at any motorsport event held at Silverstone during the year ending 31 December 2012, I acknowledge the risks to myself in the use of this pass and accept that motorsport can be dangerous and that accidents can, and do, occur despite organisers taking all reasonable precautions. Furthermore, in consideration of the facilities granted to me, for which the pass is issued, I agree, unless the law provides otherwise, to save harmless and keep indemnified the organisers and promoters of the event for which the pass is issued, including but not limited to Silverstone Circuits Ltd, British Motorsport Promoters Limited, the Motor Sports Association Limited or the Motorcycle Circuit Racing Control Board (as the case may be) and their respective officials, servants, representatives and agents and drivers from and against all actions, claims, costs, expenses and demands in respect of death, injury, loss of or damage to any persons, or their property, arising from my actions whilst at Silverstone Circuit, notwithstanding that the same may have been contributed to or occasioned by the negligence of the said bodies, their officials, servants, representatives and agents and drivers or riders and passengers. I agree to comply with any terms and conditions applying from time to time to admittance to the Venue and to the instructions of officials, failing which, I acknowledge that Silverstone Circuits Ltd has the absolute right to remove me from any of the Venue and/or to remove my pass.
