

Job Title: Venue Maintenance Operative
Location: Silverstone Circuit
Department: Venue Services

Main Purpose of Job:

You will be part of the Venue Team, working as an individual and alongside colleagues to ensure the SCL Estate is presentable and fully functional at all times.

General Responsibilities:

Duties will be varied and include both indoor and outdoor works, so being able to turn your hand to various tasks is important and will include, but not be limited to:

- To undertake all types of maintenance works and repairs to the venue and buildings within your skills set as and when required to a high standard with an eye for detail and pride in appearance, as instructed to by the Venue team management.
- To work with the team to ensure the estate and buildings are safe, presentable and operational as required;
- To be able to perform manual handling tasks;
- To cover weekend events as required.

Relationships

Directly responsible to the Estates & Utilities Manager;

Direct relationship with the Building Maintenance Supervisor

Performance standards:

- To be punctual and presentable and ready to start the shift as per stated start times.
- To professionally and conscientiously fulfil the duties specified within the agreed time frames.
- To promote at all times the professional image of the Venue Team by ensuring high standards of both professionalism and personal presentation.
- Ability to take decisions on own initiative whilst conforming to Company policy.
- Willing to work hours as required by the Company, occasionally long and unsociable
