GET RACE READY

We can't wait to see you for the drive of your life! In this short guide you'll find everything you need to get you to the starting grid and out racing!

If you need any other information before you arrive, get in touch with a member of our team who'll be happy to help.

HOW TO GET HERE

The address below will take you straight to Silverstone. Access by road is easy! We're located just off the A43 dual carriageway which is helpfully connected to the M40 and M1.

**Silverstone Circuit, Towcester,
Northamptonshire, NN12 8TN**

Make sure you leave extra time for travel and registration! You need to arrive at least 1 hour before your experience time. Silverstone is a large circuit, and it can take a little while to get from the entrance to your experience.

WHEN YOU ARRIVE

You won't be entering the venue via Silverstone's main entrance. Follow the Drive Silverstone directional signage to our designated Drive entrance.

The quickest way for you to get to the meeting point is to follow the signage and enter the venue as shown on the route map on page 5.

There will also be directional signs and staff around the venue to help you get to where you need to be.
