Important Information:

In the event of an incident on track, involving 2 or more vehicles, where driving standards are believed to be the cause, those drivers will have their wristbands confiscated until the Safety Team, and if required the Chief Instructor, have reviewed the incident using marshals accounts and CCTV footage.

If it is deemed that the incident was caused by poor driving standards, Silverstone Circuits Ltd, reserve the right to stop that driver from testing further. No monies will be refunded in this case. Those parties not at fault will be issued with a new wristband and allowed to continue.
