

PERSONAL ASSISTANT TICKET APPLICATION 2022

We want everyone to enjoy our events, feel safe and be part of the action. We're here to help you make an informed decision about where you view the on-track action, about the facilities we have on site and how best to enjoy the event.

Via our Personal Assistant Ticket Application scheme, we provide many of our disabled customers who require full time assistance with a complimentary Personal Assistant ticket. Please take time to have a look at our website: www.silverstone.co.uk, which has event specific arrangements so that we can ensure you have a stress free and pleasurable visit.

WHEELCHAIR ACCESS

Our wheelchair platforms have fold out seats available for your Personal Assistant situated behind the wheelchair bays, excluding the general admission wheelchair areas where you will be required to provide your own seating. Platforms are raised for a clear view of the action. Each platform has a steward nearby to assist should you need it. Wheelchair areas can take up to two carers per one wheelchair booking.

ACCESSIBLE SEATING

We also have accessible seating which is available to those that have limited mobility but can access a seat; includes aisle seats and seats with few or no steps. Please discuss with us if you require further information. Please note disabled tickets are limited and some events sell out quicker than others. We can only process your request on receipt of this completed form. All bookings will cease a week before the event.

ELIGIBILITY

Silverstone reserves the right to check a person's eligibility under the Equality Act 2010. All disabled visitors entering on a paid-for adult ticket are entitled to bring one PA complimentary. Please note if the disabled person is a child (15 or under) you will still be required to purchase an adult ticket, as stated within our General Event Terms and Conditions, and you are eligible to claim a complimentary PA ticket in addition.

To claim your complimentary ticket, we will require you to send proof of disability by providing one of the following.

- ⇒ Confirmation of most recent higher rate of mobility – DLA
- ⇒ Confirmation of most recent middle rate for care – DLA
- ⇒ Receipt of Personal Independence Payment (PIP) of Daily Living Component at the Enhanced level for Care and or Mobility
- ⇒ Certification of being registered blind or partially sighted.
- ⇒ A recent personal letter on headed paper from your GP, community nurse or social worker regarding your long-term disability and your requirement for a complimentary carer at the venue.
- ⇒ Access Card showing a carer required

With regret, we may be unable to process late applications and all PA tickets must be pre-booked and paid three weeks prior to the event. We cannot accept applications on arrival at the event.
