

TRACK & TEST DAYS

KEEPING CUSTOMERS SAFE

Our team has worked hard to incorporate the latest Government Covid-19 guidelines to make our activities safe for everyone involved, this does mean that you'll notice some changes in how our Track and Test days are run.

REGISTRATION

- All pre-event registration is now completed online, in advance. You will be sent links by email to the online Indemnity Form, which must be completed prior to your event
- On arrival, participants will be required to collect and apply their own wristband, where applicable. You must observe social distancing rules and there will be a queuing system in place to support this
- A member of staff will be present in the wristband collection area, behind a Perspex safety screen, to visually check licences and deal with any issues and queries
- Hand sanitiser will be widely available

TRACKDAY BRIEFINGS

- Briefings will be online for all Track days (there are no briefings on test days), a unique link to your safety briefing will be sent you via email before your event. The briefing must be watched in full 48 hours before your event day

GARAGES & Paddock AREAS

- On Track days, access will be restricted to one car and two people per single garage (maximum three bikes and three people per single garage on bike events)
- On car test days, access will be restricted to one car and four people per single garage
- Garages will remain fully open at all times (to the front and rear)
- Additional space in the paddock will be made available to assist with venue-wide social distancing measures

FOOD AND DRINK

- Our restaurants will be offering a takeaway service with a limited hot food menu, and safety measures such as a one-way system in place, the catering areas open will vary by event the Silverstone Team will be able to direct you to the relevant catering area on the day
- All customers are welcome to bring their own food and drink

ADDITIONAL POINTS

- Only participants and their essential helpers may attend a Track or Test day. No-one else, including spectating friends or family members, will be permitted. Essential helpers must be aged over 16
- On Track days up to two additional drivers (three on Test days) are permitted however the vehicle must be wiped clean prior to each swap over. Each driver must travel to the venue separately, unless they are from the same household
- Access to Race Control will be restricted to essential staff only
- Under current guidelines, overnight stays are not permitted
- All payments are to be made by credit or debit card, we are currently unable to accept cash payments
- As part of your briefing and registration process you will be asked to provide your details and the details of any technicians attending (Test Days). Anyone entering the Silverstone site must be booked in to be permitted. You will be asked to submit these details as part of your registration process in advance of the event
- Helmet Hire will be available, all of our helmets go through a strict cleansing process between each use
- Passengers will be permitted in the vehicle, if all those in the vehicle are wearing a balaclava and full faced helmet face masks will not be required. Where this is not the case a face mask must be worn. All vehicle touch points must be sanitised between each passenger
- In car tuition will be available on our Car Track Days, where balaclavas and full faced helmets are used a face mask will not be required. Where this is not the case a face mask must be worn
- Face Masks are a requirement in any internal areas, such as catering facilities, or in any external area where social distancing cannot be maintained, for example multiple people working on the same area of a vehicle
