

DRIVE

The Drive Silverstone team is responsible for planning, costing, developing, organizing and delivering all retail, manufacturer and corporate driving events at Silverstone. Our workshop team prepares and maintains all of our track vehicles. The current fleet consists of over 55 cars which include Ferrari, Aston Martin, Caterham Sports Cars, Skid Cars, BMW M2 & 1 series, Renault Clio Sport, Formula Silverstone Race Cars and 17 seater minibuses. We are a multi-functional, skilled team who pride ourselves on our product and customer delivery. We work with the best track instructors in the business on a truly legendary circuit to deliver the greatest driving experiences in the world.

As we ask for a special set of skills and qualities, we offer great benefits in return. In addition to a competitive salary you will enjoy a variety of Silverstone Perks. These include a great range of discounts through Perkbox, 25 days annual leave plus bank holidays, Silverstone uniform, free parking, discounts on onsite catering. Additionally, there are all the benefits of working at the circuit – Guest Passes for all race calendar events, exclusive friends & family discounts and offers on our Drive Experience products and Merchandise.

We appreciate the effort that goes into making Silverstone events memorable for our customers and like to do the same for our team by coming together for a number of social events. We promise career-minded people challenges, recognition and development opportunities
