

SILVERSTONE CIRCUITS LTD PERSONAL ASSISTANT TICKET APPLICATION 2021

We want everyone to enjoy our events, feel safe and be part of the action. We hope to help you in making an informed decision about where you view the racing from, what facilities we have on site and how best to enjoy the event. Via our Personal Assistant Ticket Application scheme, we provide many of our disabled customers who require full time assistance with a free ticket for a Personal Assistant. Please take time to have a look at our website: www.silverstone.co.uk, which has event specific arrangements so that we can ensure you have a stress free and pleasurable visit.

WHEELCHAIR ACCESS

Our wheelchair platforms have fold out seats available for your Personal Assistant situated behind the wheelchair bays, excluding the general admission wheelchair areas where you will be required to provide your own seating. Platforms are raised for a clear view of the action. Each platform has a steward nearby to assist should you need it. Wheelchair areas can take up to two carers per one wheelchair booking.

ACCESSIBLE SEATING

We do have Accessible seating, this is available with those that have limited mobility but can access a seat. Seats include aisle seats, seats with few or no steps. Please discuss with us further.

We can only process your request on receipt of this completed form. Please note disabled tickets are limited and some events sell out quicker than others. All bookings will cease a week before the event.

ELIGIBILITY

Silverstone reserves the right to check a person's eligibility under the Equality Act 2010. All disabled visitors entering on a paid-for adult ticket are entitled to bring one PA free of charge.
